

## CHUDI UDEOGU FOR SPORTS PRESIDENT

Hi my name *Chudi*, I am a 4<sup>th</sup> year student in “*Information Systems and Management*”. I was President of the “*Aberdeen Uni Table Tennis Club*” for 2 years, 2008/09 & 2009/10. In this period, with the help of my committee I was able to take the club from an almost non-existent state to a club of considerable stature in the University. We came second in the SUS competition twice, won the Local League Division we played in and were able to gain sponsorship from local firms enabling us to buy various pieces of equipment and send members of the club on training courses. We organised the largest SUS Individual Championships since 1990! In this period, I have personally become a UKCC qualified coach and a Scottish National Umpire and travelled through the country to several sporting events.

Let me help enable you to have such great experiences during your university life!

Some of my beliefs that I would like to share with you:

- **Simplicity**  
Lets lose some of the red tape and speed up processes so that you can enjoy your sport
- **Dedication**  
I want to represent and stand firm as your voice, fighting for your rights and needs
- **Equality**  
Give everyone an equal chance to enjoy sport

Aims

- ➔ Better allocation of training times
- ➔ Availability of Mini-busses for everyone
- ➔ Support of sporting events in and outside the BUCS
- ➔ A strong student voice for the new 50m swimming pool
- ➔ Help clubs, large and small to secure more external funding through sponsors

What I promise you is that I will have an open ear for everyone and will do my very best to protect your best interests -

**Help ME to Help YOU!**
