

INTRODUCTION

Treasurers and other office bearers (if required) of Clubs, Societies and Student Groups can gain operational access to their Bank of Scotland Bank account, set up by AUSA. This will allow you to view statements and make electronic payments and transfers on behalf of your organisation.

NEW CLUBS OR SOCIETIES

If you have an involvement in a club or society which has recently affiliated to AUSA, AUSA will open a bank account with the Bank of Scotland for your use. In the interim, AUSA will hold any funds received on your behalf and can make any necessary payments from these funds. Once the new account is open, we will let you know the account details, and you can then make your application for Delegated Access.

PLEASE DO NOT attempt to open a bank account with any other bank, and please do not attempt to change the formal signatories on the account.

TIMESCALES

The application process is done electronically, further details below. Upon making an application, the process only has a **50-day** window to go through the various checks required by the bank.

 - a) Your current address, and how long you have lived there.
 - b) Details of any previous addresses that you have lived at over the previous 3 years.
 - c) The name, sort code and account number of the club/society/group bank account. If you do not know what these are, then e-mail finance@ausa.org.uk who can advise.
 - d) If you personally bank with the Bank of Scotland, Halifax or Lloyds, then details of your personal bank account.
2. Navigate to the Bank of Scotland Business Web site at <https://business.bankofscotland.co.uk/>
3. At the top right of the screen, click on the pencil marked "Register"
4. Scroll down this page to the blue panel headed up "Register for Business Internet Banking", and click on the green box on the right, labelled "Start Registration".
5. At the first question click "**No**" to the "Are you a full power signatory".
6. Click Continue

Once more general access to the Union Building is possible again, you will be able to personally drop your form off at the AUSA Office.

14. Keep a note of your username, password and Application reference number.

An example of a completed form is attached.

TIMESCALES AND TIPS

- As noted above, application forms are time limited – the whole process need to be completed within **50 days** from the online application or they will lapse. So please don't delay between completion of your form and handing it into AUSA.
- Once the form is sent to the Bank (processing done centrally) they will try and verify your ID electronically. If you are an existing BOS/Halifax/Lloyds customer, they will know who you are, and the process should be straightforward.
- If not, then it is still best to use the correspondence address that you use for own personal banking, as you will be on a credit file somewhere. (if you have recently moved, then have you updated your own bank with your new address?) This will assist in the verification process.
- If you can't be verified electronically, you will receive a letter (roughly 2 weeks after) asking you to go into a BOS branch to verify your ID and address. This letter will be sent to the home address that you put on the application form, so keep an eye on your post.
- In the branch, ask them to call up the central processing team, so that they know to expect your ID check. Make sure you bring the form you were sent in the post, your ID and proof of address (a list of acceptable items will be supplied) and a note of your application reference.
- If successfully verified, you will be notified by e-mail. A card reader, ID card and PIN will be sent to AUSA around 2-3 weeks after. We will notify you when these are received and hold securely until you collect.

YOUR APPLICATION WILL FAIL IF.....

- You don't sign and date the delegated access form on the front page
 - You don't get your delegated access form signed by 2 AUSA signatories on page 4
 - You ignore any requests to verify your ID/address from the bank
 - You don't go to a branch within the necessary time period
-
- The Bank may still refuse your application if they are unable to verify your identity sufficiently in accordance with their Money Laundering procedures.
 - They will send an e-mail to you if the application is refused but will not disclose any specific reasons why. We cannot find out any more information than you will have been given.
 - If this is the case, then get another member of your committee to apply as an alternative.
